

TWENTY SEVENTEEN

POPE JOHN XXIII HIGH SCHOOL

"Can't repeat the past?... why of course you can!"

We would like to dedicate the 2017 Pope John XXIII High School Yearbook to Mrs. Joan DeGregorio. The class of 2017 looks to Mrs. DeGregorio as someone we aspire to be in the future. Most of the senior class had Mrs. D for English junior year and ever since then, no other English teacher compares.

One of the books we read our junior year was The Great Gatsby by F. Scott Fitzgerald. For some of us, it was the first book that we had been truly enthralled with in high school and for many of us, it became one of our favorite books. We instantly fell in love with Jay Gatsby as well as the other characters in the novel. The way Mrs. D was able to teach us about the storyline during the Roaring 20's really seemed to captivate us.

We would like to thank Mrs. D for being a true role model for our class and for teaching us with such ease and grace. Because of her, we were so influenced by The Great Gatsby that we decided to model the 2017 Yearbook after the novel.

We would like our yearbook to be a reminder that we can always have the memories to look back on, reminding people of our long four years of high school here at Pope John. Since our class is smaller in size, we truly have become a family over the years. From sporting events, to drama productions, even after school activities, our class has become so close. We will always remember our senior year with laughs and good times.

Like Jay Gatsby once said, "Can't repeat the past? Why of course you can!"

Some assemblies included the story of how the Chinese Zodiac came to be, and how the animals were chosen. There are twelve animals in the zodiac beginning with the rat, then the ox, tiger, rabbit, dragon, snake, horse, sheep, monkey, rooster, dog and pig.

Each time I leave Poetry Club, I always feel a bit inspired after seeing the students express themselves and be brave enough share a all piece of themselves" said Ms Predilla Tuy, Poetry Club proctor

Students get to bring their original works and read them in front of students and faculty. It is a great opportunity to take up and the club is quite a hit with the students and faculty alike.

Mock Trial

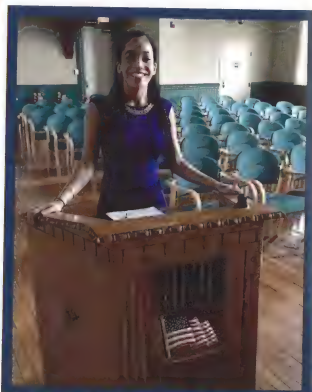

The Mock Trial team was started at Pope John in 2015 through the Massachusetts Bar Association; this program has been sponsored in hundreds of high schools around Massachusetts for over 30 years. Members take part in a pre-planned "trial" taking on the roles of attorneys and witnesses. This year's trial was a criminal case where a former Marine who served in Afghanistan suffered PTSD and shot a fellow classmate at a 4th of July fireworks event. Sharice Nazaire played the role of the defendant Sazer Larsen. Pivotal attorney roles were filled by Jan Gerber, Neika Christalin and Dede Seide who were also responsible for opening and closing statements. Newcomer Joe Sahon Felix received a perfect score for his depiction of an expert clinical psychologist. Attorneys Johnlyne Faucher, Leonardo de Lima, and Maria Isabella Natale Castillo took on the challenging aspect of this case, and witnesses Nataly Diaz, Hannalynn Nguyen, Conor Kelly, and Andrea Wallington stayed in character and enhanced this trial. We are looking forward to next year's season!

Student Ambassador

"As a senior, I have come to know that high school is not only just four years of your life, but it is where you decide who you will be. The one thing that I am going to miss as a student ambassador is being a mentor for incoming freshmen; giving them advice, telling them what to do and what not to do and most importantly, what to expect in high school."

Student Ambassadors serve as the first point of contact to students each year. The goal of the Student Ambassadors is to educate prospective students, families, school groups and the general public on the programs, resources and student life at Pope John XXIII High School. Students are required to have a minimum 3.00 overall GPA. As Ambassadors they will assist in open house tours, offer PJHS overview presentations at middle schools and community based organizations, assisting in the "Shadow Day" program, attend Ambassador meetings and training and greeting visitors and answer questions for prospective students/families.

"I took values from basketball and took them to the football field. I made a bunch of friends and wished I had played all four years of high school. It was a great experience."

Girls Volleyball

This volleyball season for Pope John started off a bit rough but they made it through. This was the first time in years that the team had a high enough record to earn home court advantage in the playoffs. Despite losing first round, this season consisted of a lot of hard work and teamwork creating a bond on and off the court.

"Sitting on the sidelines this season, I was able to see the game in a different perspective and help the girls with their skills. I'm very grateful for the friends I've made and how much we grew as a team."

Molly Crafts '17

"I love my team and we've developed into so much more than just teammates on the court. They're my family. Something I said every game, no matter what, 'This is our court, this is our game'."

Boys

Basketball

A bit about the season

"This boy's basketball season was challenging because there were four transfers but we got the hang of it after a while. We went 15-8 and were the 7th seed when the playoffs rolled around. It was hard to build on last seasons success but we still made it only a round before we got knocked out last year, so it was still successful."

Jorge Guardado '17

"Something about this season is that we hope to win a championship. I hope to play in college. Advice I have is that basketball is one way to form not just friendships, but brothers. Lastly, it has taught me to push myself to the limits."

Patrick Kelly '17

"This season was our season with the most adversity. We had four new transfers come in and had to bring them all up to date. I'm very happy with how that went and I think we blended well. My advice to underclassmen is to work hard everyday of your life and do what you love and to better yourself any way you can."

Jacob Gebru '17

Pope John has been such a wonderful school and I'll miss the basketball team so much! It was an amazing season. I love my girls and wish them luck the rest of their high school days. Stay humble but dab on 'em.

Cheering for Pope John these last four years has been so much fun and it has been a great experience. Every year we grew more and more as a team as well as building and progressing throughout the season. I've made many new friendships as well as new bonds with amazing coaches. Being varsity captain my senior year has taught me so much about leadership and I'm going to miss it so much.

Zachary Scrima

Commitment separates those who live their dreams from those who live their lives regretting the opportunities they have squandered. - BILL RUSSELL
Zachary, we are proud you and of all of your high school accomplishments. Pursue your dreams and accomplish your goals and you will always be successful!
Love, Mom & Dad

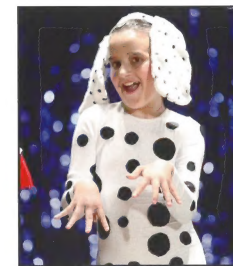

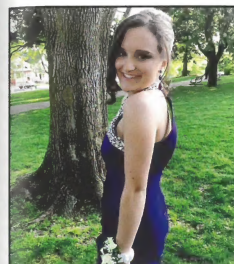

Alexis Scrima

You have to leave the city of your comfort and go into the wilderness of your intuition. You can't get there by bus, only by hard work and risk and by not quite knowing what you're doing, but what you'll discover will be wonderful. What you'll discover will be yourself. - ALAN ALDA
Alexis, continue to follow your dreams and build on the accomplishments that you have achieved! Love, Mom & Dad

Julianna Lopez-Picardi

We are so proud of the young woman you have become.
We know you will do amazing things. Love, Mama & Gerry

JULIANNA,
I hope you never lose your sense of wonder,
You get your fill to eat but always keep that hunger,
May you never take one single breath for granted,
God forbid love ever leave you empty handed,
I hope you still feel small when you stand beside
the ocean, Whenever one door closes
I hope one more opens,
Promise me that you'll give faith a fighting chance,
And when you get the choice to sit it out or dance,
I hope you dance....
I hope you never fear those mountains in the distance,
Never settle for the path of least resistance,
Livin' might mean takin' chances but they're worth takin',
Lovin' might be a mistake but it's worth makin',
Don't let some hell bent heart leave you bitter,
When you come close to sellin' out reconsider, Give the
heavens above more than just a passing glance, And
when you get the choice to sit it out or dance,
I hope you dance....
Time is a wheel in constant motion always rolling us
along, Tell me who wants to look back on their years and
wonder where those years have gone
When you get the choice to sit it out or dance,
I HOPE YOU DANCE....
